Money Talks, Before We Walk: United States Humanitarian Outline Plan

Dear American Citizens of our Any Cities, Towns and Localities:

1. Do not shop in any community's marketplace or venue that has had, this year, an increase of judicial-identified police brutality until changes are made. *What are the demands?* The community, as entire body, and community leaders in said localities must work with their local law enforcement to create productive law-enforcement changes.
2. Do not shop in any community's marketplace or venue that has had, this year, an increase of black-identity discrimination.
3. Do not shop in any community's marketplace or venue that has had, this year, an increase of black-on-black crime.
4. Item- or service-needs of your unique household, shop outside of described community areas.
